Hey Lisa. I gotta ask you a question. https://www.cantechletter.com/2018/04/reliq-health-is-now-an-acquisition-target-stonecastle-investment-says/
Cantech Letter
Reliq Health is now an acquisition target, StoneCastle Investment says
The good times are not over for Reliq Health Technologies (TSXV:RHT), says Bruce Campbell of StoneCastle Investment Management, who says a buyout is around the corner. Mobile health care tech compa...

Stephen:
"She said that they expected to have 30,000 patients online by the end of this year at US$50.00 a month and she's actually said that there's a potential that it could go higher than that."
9:09 AM
What's the play here? I don't understand this, we only have 250 people on the platform.
9:09 AM
What??? Giancarlo says we have 12,000. We've booked revenue for 6,000 patients in Q4. He said we'd hit over 50,000 by the end of this year so I e been lowballing the market at 30,000. I'll call him now.
